

April 2024 Newsletter

Reminders

- Ensure children are coming with weather appropriate gear!
- If doorbell does not work, please call the cellphone or knock on emergency exit door.

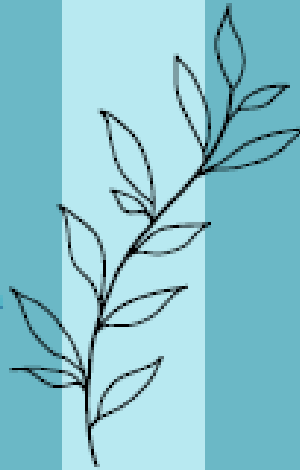

Dates to Remember

May 17: PD Day

May 20: CENTRE CLOSED (Victoria Day)

This month...

We have observed how the children have shifted away from connecting and have really focused on positioning, rotating, and enclosing. They have been interested in building puzzles, creating restaurants and making bracelets out of string! The children have also enjoyed colouring their own creations and filling in color by number pages!

Next Month...

We will support the children's journey through positioning, rotating, and enclosing. The children will experience stacking objects on top of each other, knitting, and so much more!

May 17 PD Day we will be located in the gymnasium 9:30 am - 6:00 pm due to the school doing the floors.

Happy Birthday!!

May 13
